§ 1948.51 General.

This subpart sets forth policies and procedures for designation, approval of designation, and making grants for assistance to areas impacted by increased coal and uranium production, processing, or transportation. The Farmers Home Administration (FmHA) or its successor agency under Public Law 103-354 will fully consider all A-95 clearing-

house review comments and recommendations in selecting applications for funding. Any processing or servicing activity conducted pursuant to this subpart involving authorized assistance to FmHA or its successor agency under Public Law 103-354 employees, members of their families, known close relatives, or business or close personal associates, is subject to the provisions of subpart D of part 1900 of this chapter. Applicants for this assistance are required to identify any known relationship or association with an FmHA or its successor agency under Public Law 103-354 employee.

§ 1948.52 Objectives.

The objective of the program is to help areas impacted by coal or uranium development activities by providing assistance for the development of growth management and housing plans and in developing and acquiring sites for housing and public facilities and services.

§ 1948.53 Definitions.

(a) *Approved designated area.* A group of counties, a county, or a part of a county designated as an energy impacted area by the Governor of a State and approved by the Secretary of Energy.

(b) *Available financial resources.* All existing financial resources which could be used for impact assistance including Federal, State, and local financial resources and financial resources accruing to States and local governments as a result of coal or uranium development activity and not already committed to other programs by law or historical precedent.

(c) *Coal.* Coal means anthracite and bituminous coal, lignite, and any fuel derivative thereof.

(d) *Coal or uranium development activities.* The production, processing, or transportation of coal or uranium.

(1) Production includes the mining of coal or uranium and all mine site operations connected with such mining operations and processing activities. This includes construction activities on mine sites relating to mining, production, and processing.
